

# Welcome to CompleteReader

A sample PDF Viewer and Editor  
With CompleteReader you can

Annotate.....

Fill in forms.....

Add signatures.....

Swipe to learn more

While reading a document with CompleteReader you can...

Tap in the central part of the viewer to bring up the Action Bar, such as in the dotted circle below.

From the Action Bar you can...

Switch between different page layouts,

**Single Page**  or **Continuous Page** 

See all **Bookmarks** and **Annotations** 

**Search** for key words using 

Swipe to learn more

To add an **Annotation** open the Action Bar and Tap 

To create a **free hand** annotation Tap 

Now you can draw on the document. When done Tap '**Save**' in the Action Bar. You can also **Undo**  and **Redo**  the last path.

**Tip:** Now, or later, you can set the Author name to be used with annotations. This helps with collaboration. You can change this in the CompleteReader Settings menu.

[Continue to learn about annotations...](#)

To **Highlight**, **Underline**, or **Strikeout** text, simply Press and Hold on any TEXT.

*Lorem ipsum dolor sit amet, consectetur adipiscing elit, sed do eiusmod tempor incididunt ut labore et dolore magna aliqua.*

**Tip:** You can lock the annotation tool, for fast creation of annotations, in the CompleteReader Settings menu.

**Tip:** Press and Hold an empty area of a document to bring up the Annotation popup menu.

Continue to learn about annotations...

To add a personal **Signature** to a document  
**Press** and **Hold** in the rectangle below, and  
then select Signature from the popup menu

Signature

**Tip:** You can save the signature for future usage, for example when filling out forms.

To **Edit** an existing **Annotation** simply Tap the annotation and a pop up menu will appear.

Change the colors, thickness, opacity and other properties from this menu. When done simply Tap anywhere else on screen.

You can also move and resize a selected annotation.

Tap on the annotation below to try.

**Tip:** Use the Annotations outline  to quickly find annotations in your document.

Other annotations you can create are...

Straight line

Straight arrow

Square or rectangle

Circle or ellipse

Text

Sticky note

Highlight text

Underline text

Strikeout text

Squiggle underline text

**Tip:** Press and Hold on page to quickly create annotations

CompleteReader also supports Forms, try it...

Edit Text

Yes

No

Select Option

---

Signature

## To Open Existing Documents...

First Tap the device's back arrow, which will show the recent files list. 

Then Swipe from the left edge of the screen to show more browsing options.

**Tip:** Many Android apps will support opening documents in CompleteReader.
