

ACT ONE

FADE IN:

1 INT. SHEA LIVING ROOM - MORNING (DAY 1) 1

Jack and Tony are playing Wii tennis. Jack is leaping around the room energetically, while Tony sits in his chair returning the ball lackadaisically.

JACK

Come on, Dad. This is supposed to be a cardio workout. Look at me, I'm drenched in sweat.

TONY

And I'm still kicking your ass.

JACK

Will you at least put down the breakfast burrito.

TONY

Gotta feed the furnace.

Tony takes a big bite. Jack continues leaping around the room.

JACK

You may be winning the game of tennis, but I'm winning the game of health.

Jack goes back for a shot and accidentally flips backwards over the couch. Tony LAUGHS at Jack.

JACK (CONT'D)

Ow-ow-ow-ow! What are you laughing at?

TONY

What am I laughing at? You fell over the couch and hurt yourself.

JACK

And that's funny because...?

TONY

You fell over the couch and hurt yourself.

JACK

That's not funny.
